

Dear colleagues,

Please consider submitting a poster abstract for the Junior (graduate students and postdocs) Researchers' session in the upcoming Great Plains Catalysis Society Fall Online Symposium to be held on September 18<sup>th</sup>, 2020.

This year, we will showcase research from junior researchers in a modified poster presentation format which will include all of the following elements: a) a poster in pdf format; b) a 3-minute pre-recorded video presentation in mp4 format describing briefly the main points of your work (or a 10-min live Zoom presentation for Poster Award winners); and c) a live Zoom Q&A session for all poster authors.

The deadlines for poster materials submission are:

- 1) Poster abstract document submission deadline ([Poster abstract Word template in GPCS website](#)): August 14<sup>th</sup>
- 2) Accepted abstracts notification: by August 16<sup>th</sup>
- 3) Poster pdf file submission deadline ([Poster Power Point template in GPCS website](#)): August 28<sup>th</sup>
- 4) Three-minute pre-recorded video presentation deadline (Link to [sample mp4 video and Power Point presentation template](#), and instructions will be sent to authors of accepted abstracts): September 4<sup>th</sup>
- 5) Please submit all requested poster materials to: [GPCS.Symposium.2020@gmail.com](mailto:GPCS.Symposium.2020@gmail.com)
- 6) The organizing committee will select by August 28<sup>th</sup> Poster Award winners who will open the morning sessions with a 10-min live presentation

#### **Award Guidelines**

- \* Be a current GPCS member with paid dues
- \* Poster abstract submitted by deadline
- \* Letter of self-nomination (1 page and no more than 500 words) indicating why the researcher deserves the award and the importance and impact of the work to the catalysis field
- \* A biosketch ([Biosketch fillable pdf file in GPCS website](#))

Looking forward to your participation in this GPCS Fall 2020 Online Symposium!

Best regards,

Organizing Committee
